

# How does Libby Work?

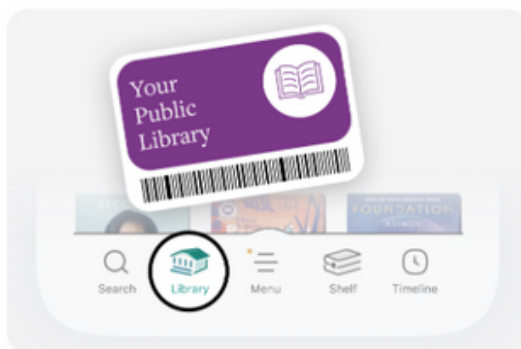

1

Download and open Libby on your device.

2

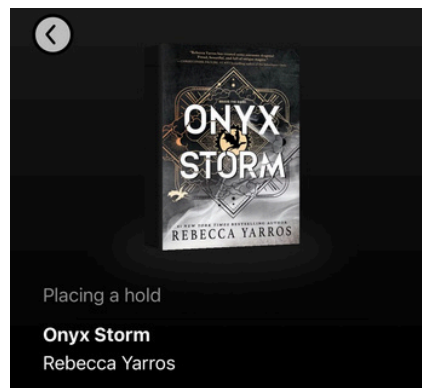

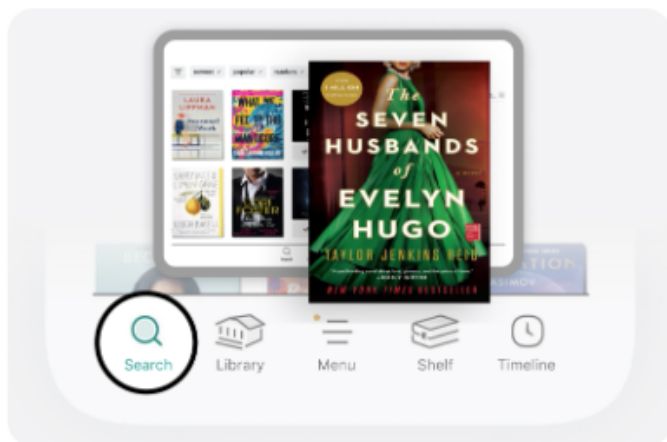

Find your library and sign in with your library card.

You can find your number to log in on the back of your Library card.

3

## Browse or search to discover your next favorite book or audiobook.

Popular titles that aren't available can be put on hold. Libby will notify you when your book is ready.

### Sunflower eLibrary

You can join a shorter line for the book at Wichita Public Library.

Linked Card

1 / 5 loans  
4 / 5 holds

### Several months wait

24 copies in use. 644 people waiting in total.  
27 people waiting per copy in **two lanes**.
